¹ Section 101 of the U.S. Bankruptcy Code defines consumer (nonbusiness) debt as that incurred by an individual primarily for a personal, family, or household purpose. If the debtor is a corporation or partnership, or if debt related to operation of a business predominates, the nature of the debt is business.

Note: Because the bankruptcy database is continually updated, the numbers in this table may not match those in previously published tables.

Note: These figures include the following cases not reflected elsewhere:
