Subject Bankruptcy OF 22B

Accepting, without expressing either agreement or disagreement, the Committee Comment regarding the inapplicability of 1325(b)(3) in chapter 11 cases, Part I of the proposed OF 22B is incomplete. Unlike OF 22C for chapter 13 cases it does not include a provision for deducting from Current Monthly Income those adjustments specifically provided for in 1325(b)(2). To be complete, it is recommended that a new Part II, identical to Part V of the OF 22C, be added to OF 22B.
