Dear James and Jeff,

I hope that things are well! I am forwarding a suggestion concerning the Appellate Rules. It is essentially similar to an existing item suggested by a different commentator – Item 08-AP-A. Assuming that suggestions by different commenters get separate docket numbers even when they pertain to the same topic, I believe this should be docketed as Item 11-AP-C (since we've already docketed two other suggestions this year).

Thank you—

Best regards,

Cathie

Hi Cathie. I'm just forwarding a suggestion from a local attorney. It comes with no endorsement--I haven't even given this a look.

Best,

-Steve

Steve,

It looks like FRAP 3(d)(1) could use an amendment to allow a notice of electronic filing to suffice in a district with ECF procedures. Are you in a position to suggest that?
