Re: **Bankruptcy Rule 7004 (e)**

Dear Judge Ikuta:

Just a quick note to you in your capacity as Chair of the Advisory Committee on the Bankruptcy Rules of Practice and Procedure to offer my two cents regarding the above rule. We used to be able to serve summons within 30 days of issuance. As of the amendment to the rules last year, it's now seven days. I think this should be extended to at least 14 because invariably we can't get it served in time and we have to request that it be reissued.

Thank you kindly for your consideration.

Respectfully,

Jonathan H. Stanwood
