Note: Case weights are based on the 2015 district court case weighting system approved by the Judicial Conference for use after December 2015. Data for the territorial courts are not included. This table excludes civil cases arising by reopening, remand, or transfer to the district by the order of the Judicial Panel on Multidistrict Litigation. This table includes defendants in all criminal cases filed as felonies or Class A misdemeanors, but includes only those defendants in criminal cases filed as petty offenses that were assigned to district judges rather than magistrate judges. Remands and reopens for criminal defendants are excluded. This table includes trials conducted by district and appellate judges only; all trials conducted by magistrate judges are excluded. Sentencing hearings are excluded. Due to rounding, subtotals may not equal totals.
