Note: Section 101 of the U.S. Bankruptcy Code defines consumer (nonbusiness) debt as that incurred by an individual primarily for a personal, family, or household purpose. If the debtor is a corporation or partnership, or if debt related to operation of a business predominates, the nature of the debt is business.

1 A case and its data are included only when all data on income and expenses are provided by the debtor(s) for the case. Data may not be included if the debtor(s) provided incomplete schedules. Data exclude reopenings. Cases transferred interdistrict are counted only for the originating district.

2 Current monthly income as reported by the debtor(s) on Form 22A, Line 12; or Form 22B, Line 11; or Form 22C, Line 20.

3 Average income as reported by the debtor(s) on Form 6, Schedule I, Line 10.

4 Average expenses as reported by the debtor(s) on Form 6, Schedule J, Line 22.

5 Median values not computed when fewer than 10 cases with complete schedules reported.
