Re: Preliminary Draft and Proposed Amendments to the
Federal Rules of Practice and Procedures

Dear Sirs:

I have reviewed the preliminary draft of the federal rules of procedure and I have no problems or objections to any of those. I have not reviewed the bankruptcy rules or the criminal procedure rules, because I do not practice in those areas. Therefore, I make no comment.

Very truly yours,

WOMACK, LANDIS, PHELPS,
McNEILL & McDANIEL

Paul McNeill
