Comments:

E-filing is atrocious. It is almost impossible to send attachment documents by e-filing as a result of the enormous time to download them. Both myself and defendant counsel had to manually file attachments. Defendant counsel was from a large firm from Chicago so it is not just that only the "small fry" attorneys like me having this problem. In addition, not being present in person prevents all sides, Judge, all counsels and clients, from having discussions face-to-face which many times helps to resolve outstanding issues.
