Subject Hearing on Proposed Federal Rule of Evidence 502

History:  This message has been replied to.

Dear Sir or Madam:

I am an attorney in private practice. Over the past several years I have become increasingly concerned with the erosion of the attorney client privilege and work product protections, and with the increasing costs associated with fighting to preserve these protections. The Advisory Committee's work in this area is of critical importance. I am writing to request that I be allowed to testify regarding Proposed Federal Rule of Evidence 502 at the Advisory Committee Meeting in New York on January 29, 2007.

Thank you in advance for the courtesy of a reply.
