Subject: Comment to proposed Bankruptcy Rule 8002

Bankruptcy Rule 8002 should be amended to set 30 days as the deadline for filing a notice of appeal from a judgment, order, or decree in a bankruptcy case. This is consistent with Federal Rule of Appellate Procedure 4(a)(1) and will not have a material impact in most cases or lawsuits. Where there is a possible material impact there exists means of protecting any party by motion pending appeal.

Thank you,

Matt
