Subject Proposed Amendment to Federal Rule of Civil Procedure 56

Greetings,

I have read the opposition submitted by the Honorable John W. Sedwick concerning the proposed changes to Rule 56. While I lack Jack's dual-district experience, his comments make a great deal of sense and I have a deep appreciation for his keen powers of observation. I therefore join in his opposition to the changes. This may be one of those instances where making work does not equate to making better.

Sincerely,

Ortrie D. Smith
