Subject: Re: Debtor's age should be disclosed in bankruptcy documents

Julie, thanks for your follow up. I believe there were other Schedules for the bankruptcy documents that were being revised. I am virtually certain that the exact birth date of the debtor could not be disclosed for privacy purposes but certainly the age of the debtor (e.g., "Age: 45") somewhere in the revised bankruptcy documents would be helpful, at least for the trustee. So I'm not quite sure how you would link things up with what is pending now but if nothing appears suitable, perhaps it could be provided as a suggestion. I hope this helps. Thank you. David
