Note: This table does not include data for the U.S. Court of Appeals for the Federal Circuit.

*Pro se appeals were not reported until 1993.

** Effective October 1, 1998, in response to the Prison Litigation Reform Act, reporting procedures were changed to record pro se mandamus petitions for which filing fees were not paid at filing as original proceedings requiring judicial review on the merits. Thus, these pro se mandamus petitions are no longer reported separately, but are now included in the original proceedings category.
